Dear Jason:

I am pleased to enclose the original Certificate of Registrations for the above-referenced copyrights. I have attached the first page of each work for reference.

Note that there are no maintenance fees required on copyright registrations. Please be sure that any and all of the works are marked with the phrase © Gabriella White, LLC 2018 or 2019, if applicable. If the owner fails to mark the work as specified, no damages may be collected in an infringement suit, except on proof of actual notice to the alleged infringer; and then damages may only be collected for the infringing activity after the actual notice. Thus, it is very important to place the notice on any work covered by the registration that is publicized or disclosed to anyone in a commercial setting.

Congratulations on this good result. Please feel free to contact me if you have any questions or concerns regarding this matter.

Very truly yours,

Joseph S. Bird, III
