DESCRIPTION

The Playa Collection, inspired by the beloved Havana Collection, beautifully bridges modern and traditional design. The Playa Lounge's elegant teak silhouette and durable materials showcases our commitment to quality, sustainability, and enduring value, making it a superb addition to any outdoor living area. With a performance that surpasses industry standards for UV exposure, this collection promises enduring appeal and resilience against the elements. Please note, that due to its high-quality center cut, and natural oils, teak will age gracefully without the help of cleaners and protectors.
