

## SPECIFICATION SHEET

# Carmel Aluminum Arm Chair

SKU: 3490

## DESCRIPTION

The Carmel Aluminum Arm Chair is a sleek addition to any outdoor dining area, embodying the sophistication of modern design. Crafted with precision, the wrought aluminum frame boasts elegant arm curves and thin bars at the back for a look that is as visually appealing as it is sturdy. Paired with generous cushions that provide exceptional comfort, this chair is not only a statement of style but also designed to enhance your comfort sitting outdoors around the lunch or dinner table.
