## DESCRIPTION

The Avondale Loveseat N-Dura™, masterfully crafted from our cutting-edge N-Dura™ Wood, exudes the timeless charm of mid-century design. This innovative material mimics the luxurious look and feel of natural wood while being engineered with UV inhibitors and stabilizers for supreme durability in all climates, particularly coastal ones. Its water-resistant qualities and resistance to color fading, mildew, and environmental wear ensure that the loveseat retains its exquisite appearance with minimal upkeep. Sit back in this embodiment of care-free relaxation and savor a piece that will maintain its natural allure throughout the seasons.
