

SPECIFICATION SHEET

Ibis End Table

SKU: 1753

DESCRIPTION

The Ibis End Table presents a harmonious fusion of simplicity and robustness, ideal for adding a touch of minimalist elegance to any space. Cast in a graceful form, the table's smooth, wide top transitions into a flared base, creating an appealing profile that nods to modern design while providing stable support. This piece's aesthetic is heightened by the textured organic touch to its sturdy silhouette. This end table represents the intersection of form and function—a stylish, durable addition to the discerning decorator's ensemble.
